CLIENT WAIVER

I, the undersigned (hereinafter, referred to as “the Customer”) do hereby understand that healings and spiritual guidance received from _____ (hereinafter, “the Practitioner”) are for the purpose of stress reduction, relaxation and spiritual development. I further understand clearly that a healing session or spiritual counseling provided by the Practitioner is not a substitute for medical or psychological diagnosis and treatment. As a spiritual healer/counselor, the Practitioner does not prescribe or perform medical treatment, prescribe substances, or interfere with the treatment of a licensed medical professional. It is recommended that I see a licensed physician or licensed health care professional for any physical or psychological ailment I have. *Individual healing manifests in different ways and a particular outcome is not guaranteed.* By entering into this agreement with the Practitioner and/or participating in this and any future healing sessions, I declare that I am taking charge and responsibility for my personal spiritual healing in whatever form it may take, for my highest good.

I am voluntarily participating in this session and I accept complete responsibility for my own psychological, mental, emotional, and spiritual well-being. In consideration of my voluntary participation in this and future sessions, I release, discharge, waive and forever relinquish the Practitioner from any and all claims, known or unknown, arising out of or in any way connected with my participation or involvement in this or future sessions.

I agree that in the event any claim for damages shall be prosecuted by me or any person associated with me, or as a result of my acts or omissions, that I and/or my estate, shall indemnify and save harmless the Practitioner from any and all claims, including the costs and expense (including attorney’s fees) of defending the same. I understand that sessions are considered confidential and shall not be disclosed except required by law. I have carefully read and fully understand this Agreement. I am aware that this Agreement constitutes a contract between myself and the Practitioner and contains a release of liability on behalf of myself and my assigns, heir, executors, guardians and other legal representatives, as well as a further release of liability in connection with any other entity, corporation, etc., that may afford the Practitioner the right to utilize space in a location owned by another third party, including, but not limited to, The Chakra Shack, and I hereby sign this agreement of my own free will.

I have read, accept and agree to abide by the aforementioned terms and conditions above:
